- [Google undeletes RSS extension for Chrome browser](#)
- [And just like that, Google I/O is sold out](#)
- [Amid great expectations, the Samsung Galaxy S4 has arrived](#)
- [Samsung is making time for a smart wristwatch](#)

Next Week's Mini-Discussion

- Some weeks, we will have a short group discussion on a topic rather than Events of the Week.
- Purpose is an exercise in thinking beyond the top level issues of a topic.
- I expect roughly 30 minutes of research and thought
- Our second mini-discussion will be this week:

Samsung

Final Paper

- Everyone has to submit a paper on any of the topic from the list
 - 99% chose same topic as presentation!
- Roughly 20 pages; but can be more or less
- Covers same material as presentations with a stronger emphasis on the future and what other technologies impact or are impacted by chosen topic.
- Submit electronically – save trees
- ***Can be started and submitted at ANY time***
 - Due April 17

Schedule for Spring 2013
